

Capital Vision 2020

Encouraging faith (London)

Members in the Diocese of London have joined the Anglican diocesan initiative Capital Vision 2020.

The idea is to join others across London in committing to pray for seven people who they could share their story of faith with.

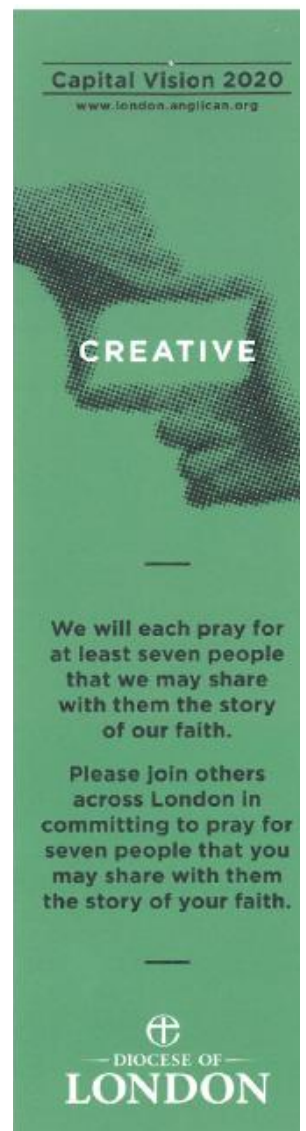

A card was produced explaining the initiative on the front, and two prayers on the back with space to record the names of those with whom they hope they may share their story of faith.

Generous God, You have called us to be salt and light in this great city; Guide us by your Holy Spirit to discern your will for your Church as we seek to follow your Son Jesus Christ in loving and serving our neighbours.

Give us the wisdom and strength to fulfil the vision you put before us and help us to play our part in transforming our earthly city into a sign of the Heavenly Jerusalem where you live and reign, Father, Son and Holy Spirit, One God now and for ever.

Amen

Please use this space to record the names of family members, friends or colleagues for whom you wish to pray that you may share with them the story of your faith.
